

XL LOW-PROFILE HDG :18" DECK HEIGHT

XL 110 Low-Profile Hydraulic Detachable Gooseneck: 18" Deck Height

YOUR SOLUTIONS-BASED HAULING PARTNER

low-profile neck

18" LOADED DECK HEIGHT

The **18" loaded deck height** lowers loads to meet bridge clearance heights without needing a drop-side or beam deck. This trailer is equipped with a **lowered bolster height** for a lower machine height when loading over the rear. The full **26' in the well** provides ample room for heavy equipment.

front ramp & outriggers

VERSATILE DECK FEATURES

The XL 110 Low-Profile HDG deck is fully equipped for versatile hauling, with **13 chain drops per side**, **7 bent D-rings per side**, and **removable heavy-duty swingout outriggers with Apitong flooring** and **12" crossmember spacing** for additional deck strength.

FLEXIBLE HAULING CAPABILITIES

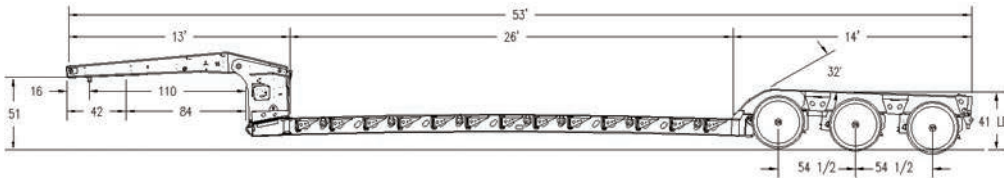

The XL 110 Low-Profile HDG with 18" deck height is **Flip Axle and Booster capable** while maintaining a concentrated 55 ton capacity in 16'. The neck offers 5 position variable ride height, while the adjustable wheel area ride height control allows you to level out the deck as needed, based on your neck position and load.

BUILT WITH YOU IN MIND

- Low deck height to clear bridges
- Lock pin automatically engages at every transport position for safe travel.
- 5 position ratchet-style ride height control adjusts height simply by moving a lever.
- 31" front flip ramps
- 3rd axle lift raises axle for return trip, reducing tire wear.
- 2 chain slots on each bolster
- Drop bolsters
- Optional bolt on load-bearing wheel covers can be removed for weight reduction.
- XL paint includes a **full 1 year warranty**.
- Always striving to surpass market standards, all XL Specialized Trailers' products feature a **5 year structural warranty**.
